

AFTER SCHOOL CARE PROGRAM 2007-2008

Brockton offers a licenced after school care program to students under the age of 13. When school is in session, the program provides supervised care with an after-school snack, outside play and homework supervision from the end of the school day until 6:00 p.m. Children in the after school care program attending an after-school extra-curricular activity join the program following the activity. Families using the after school care program are asked to commit to a fixed number of days each week; the program is not normally offered on a drop-in basis, though we will do our best to accommodate requests for the occasional day of after school care with advance notice. Except for the "2pm-3pm only, 5 days/week" option for Kindergarten students, we do not offer after school care in hourly increments.

On staff professional development days and during portions of the Winter and Spring holiday periods, a full-day program provides supervised care and a variety of indoor and outdoor activities (plus some extra-special holiday activities!). Healthy snacks are provided, but lunch is not and should be brought from home.

Fees for the after school care program are billed at the end of each month from September through June, and are normally paid by pre-authorized bank account debit. Alternatively, fees may be pre-paid by cheque at the beginning of each month. A receipt for income tax purposes is issued at the end of each calendar year. The monthly fee instalment is as follows:

For Kindergarten students only (starts at 2 p.m. each day):

5 days/week after school	\$375/month x 10
2 p.m. – 3 p.m. only, 5 days/week	\$100/month x 10
1 day/week after school	\$80/month x 10
Occasional day of after-school care (not 'drop-in'; advance notice is required)	\$25/day

For students in Grade 1 and up (starts at 3 p.m. each day):

5 days/week after school	\$300/month x 10
1 day/week after school	\$65/month x 10
Occasional day of after-school care (not 'drop-in'; advance notice is required)	\$20/day

Full-Day program

Brockton offers a full-day childcare program on staff professional development days and during holiday periods. The program is free of charge to the students who attend the after school care program 'fulltime' 5 days per week after school throughout the school year. The daily fee for all other students is \$45.
