

## Uniform & Dress Regulations

The uniform code at Brockton School is straightforward and follows the tradition of independent schools across Canada. We enjoy some unique Brockton features, for example, our own uniquely designed and registered tartan. For a 'uniform dress code' to be of value to a school and for it to be implemented without misunderstanding or tension we rely on full support from our students and parents.

The **Formal** uniform will be worn for all Thursday Assembly days, special performances, concerts, most field trips and other days as required (e.g. first & last days of school, photo day etc.)

The **Daily** uniform will be worn on any of the days that the Formal uniform is not required. This will be in effect all year round.
